If you’ve lived in Seattle and/or Queen Anne Hill for any length of time, there is a good chance you’ve heard of Fischer Plumbing, this year’s “Winter Wonderland” Platinum Sponsor.

Fischer Plumbing’s CEO Daryl Miller and his wife Elsie, are Queen Anne residents. They raised two sons who played in Little League and are generous supporters of local schools, Little League baseball, public radio, and more.

Daryl and Elsie met while they were students at Queen Anne’s own Seattle Pacific University. They still enjoy going for walks in the neighborhood, visiting SPU’s park-like campus, and stopping in at Starbucks on occasion. Daryl values the family orientation of Queen Anne and hopes it will remain strong in the years ahead.

Fischer Plumbing supports local schools financially because Daryl believes in education. As the son of a tenured professor, he shared that “education was in the family.”

Although he is in the plumbing business, Daryl is not a plumber by trade. He was a controller and CFO in the corporate world almost 20 years ago when he decided to make a change. In 1996, he seized an opportunity to trade his business suits for jeans and buy a small plumbing company. Within 10 years, through the acquisition of 9 additional specialized plumbing companies, he built Fischer Plumbing into a business that is highly capable of every kind of plumbing. Today, Fischer is a thriving company with 50 employees and 40 service vans.

When asked what sets Fischer Plumbing apart, Daryl said “Fischer Plumbing sells integrity and skill.” Because of its unique history, his company employs a wide variety of plumbing specialists. Fischer can deliver the appropriate person to any job and “do it right the first time.”

Thank You

Fischer Plumbing, for supporting John Hay!
JOHN HAY FRIENDS & FAMILIES,

Welcome to our Winter Wonderland! It’s truly been an honor to work with such a tireless, passionate and dedicated group of volunteers to create this magical evening. Please join me in sincerely thanking our envelope-stuffers, cake-bakers, wine aficionados, database wizards, graphic designers, writers, editors, organizers and countless other volunteers who “faced unafraid the plans that we’ve made” to support the unique and vital programs that make John Hay so special.

And now, let’s have some fun! Please raise your glass and your paddle to support our school!

Thank You!
Ty's Tees is a custom t-shirt company inspired by a little boy named Ty. The business is located in Queen Anne on the hill overlooking Seattle. Ty's Tees specializes in lightweight - vintage style t-shirts. The toddler and youth tees are all organic and some of the adult tees are made from recycled pop bottles. All of our artwork is original and silk screened by hand. Our goal is to make fun shirts at an affordable price from eco-friendly materials. Thank you for your business and Ty would like to say, "I hope you love my t-shirt."
