commemorative giving opportunities

john hay elementary
playground renovation
John Hay Elementary invites you to join our Project Playground renovation efforts by considering a commemorative gift that will become a permanent part of our exciting new playground.

Our students deserve a healthy and stimulating place to play, learn and grow. With your charitable donation, we can make this dream a reality.

Pave the way to a better place to play!

Our goal is to raise the funds required by February 2018 to cover the $260,000 price tag for construction of our Phase One plan. In addition to pursuing substantial grants and sponsorships, we hope to raise a significant sum with this commemorative giving campaign.

Target for construction: June-September 2018
giving opportunities
items available for donation

pave the way
concrete legacy pavers
Goal: $40,000
200 pavers

have a seat

commemorative concrete pavers
paver size: 15.5 inches long x 4 inches wide
$250 for a single paver and engraving

PAVE
THE WAY

to a better
better place to play
make your **mark**

Leave a permanent gift from your family or business with this limited time opportunity. Each element purchased will be accompanied by a plaque or paver displaying a message of your choosing. Honor your child, your family, a loved one, or list your business or organization. Your special gift will fill our playground with permanent elements that will enhance the playground for years to come!

**let’s rock!**
