

JOHN HAY ELEMENTARY SCHOOL

ANNUAL FUND DRIVE

The Fundraising Goal for the 2018 - 2019 School Year is \$300,000

Washington State continues to underfund our public schools. Without your donations we wouldn't be able to fulfill the planned budget and keep enrichment positions. Our goal is to save these positions including: a Math Specialist Teacher, a Reading Specialist Teacher, Behavioral Specialist, and an Early Literacy Teacher.

Reading Specialist - Math Specialist - Volunteer Coordinator

Reduced Class Sizes - Art & Music

Equipment & Supplies for Every Grade - Behavioral Specialist

Help us to fund these programs for our children. Any donation amount is appreciated!
