

Songsterz

John Hay Elementary FALL 2017

Offered by iKhana Arts www.ikhanaarts.com

Songsterz is a fun and creative way for students to learn about music through

creating a song together as a class and then each child will create an individual original song. Dancing, word games, rhythm games, and Native American hand drums are some of the tools we will use to learn how to create and perform a song. Students learn about microphone technique and stage presence. No previous musical experience required. Guitar, piano, and/or percussion are collaboratively added.

Each student receives a digital file of the End of Session Performance recording of the group song and their own individual song.

Cost: \$150 - *This tuition includes student writing notebooks, a light snack and audio files of songs of End of Session Performance.*

Grades: K - 5
